Att: Eng. Abdelkhalek El Molla

Agent Carl Bechem Company

Date 2/11/2009

Sub. Open Gear Lubricant

To whom it may concern

We Sinai white Cement plant in Egypt (Asec Sinai).
have been using **Berulit GA 2500** of Carl Bechem GmbH whose Egypt ,Algeria,
Libya and Sudan representative is Elmolla Company for Marketing ,the product
shows a much better performance with respect to previously used product of a
different supplier in the rotary kiln open gear drive which runs with very high load,
temperature and speed ,we recommend Carl Bechem GmbH product **Berulit
GA 2500** for the similar applications.
